

K-Love provides me with good news and lifts my spirits with the contemporary Christian Music. It provides help with family counselors such as Dr. James Dobson to help my family. If K-LOVE is displaced by an LPFM providing other programs, I will not listen or cater to their advertising sponsors. The K-LOVE service provides good clean family music that children of all ages can listen to without parents having to worry that the music is enticing the kids to committ suicide, kill, rape, and plunder. Please keep K-LOVE On the air just as it is now. Thank you,
